

# PROJECT PROFILE

<i>Name:</i>	Silk Telecom Perth Metro Fibre Network	
<i>Owner:</i>	Silk Telecom (Formerly Bright)	
<i>Client:</i>	Vodafone, Wesfarmers	
<i>Project Description:</i>	Supply and installation of Blown Fibre Ducts and Fibre Optic cabling	
<i>Site Location:</i>	Perth Metro Area	
<i>Value at Completion:</i>	\$1,000,000 (Ongoing)	
<i>Year Completed:</i>	Ongoing	
<i>Referees:</i>	Craig Smith Project Co-ordinator Silk Telecom 08 6464 0111	Graham Morris WA Manager Emtelle 08 9470 2761

Diverse Data Communications WA are nominated as one of the main contractors for installing, terminating and testing Emtelle Blown fibre for the Silk Telecoms Perth Metro Fibre Network. Working closely with the Civils contractors B&H Pipeline and the Silk telecom project managers Diverse have successfully completed numerous Fibre installs throughout the Perth metropolitan area.

This contract is ongoing and with the recent acquisition of Silk Telecom by Next Gen it is expected Diverse's services will now be required across many of the Next Gen's fibre installation divisions.
